

## Parish Walk 1

**Distance:** 8.97km or 5.57 miles

**Total Ascent:** 230m

**Estimated time:** 2:30hrs  
(excl. breaks)

### Description:

Starting just from the church we make our way through Victoria Park to the seafront and head along the front (or the beach) towards Torquay.

Breaking off between Preston and Livermead we head up a little known path through the beauty and quiet of Hollicombe Woods all the way up to Ocombe Farm.

Time for a cup of team and ice cream before we head back down through Ocombe Woods.

We then wander back through Shorton with the Parish church Tower as our destination signpost.
